Scrum Meeting Notes 12-5-2021

- Final product is mostly complete
- Discussed Final presentation
  - Final presentation will be done on 1:00-3:00, Zach 310 on Monday Dec. 13
  - 10 minute presentation
  - Everyone needs to be present and have some part in the presentation
  - Need medium for presentation (Prezzi, Powerpoint, Google slides)
  - Discuss problem need
  - Discuss how APIs work together
  - Show Demo, some can be pre recorded, but most should be live
- We need to finish the sprint 3 materials which are required + the group retrospective which is due on Wednesday
- The document due today has already been split up similarly to what it was before
- Raj will make sure to put the newest code which is on his personal github to the TAMU github to make sure it is all updated
